Classes to obtain your Certified Graduate Remodeler (CGR), Certified Aging-In-Place Specialist (CAPS) & Certified Graduate Builder (CGB) designations
Exclusive access to Council website
Community revitalization through charitable endeavors

**NAHBR Professional
Remodelers
Council Website - biaremodeler.org**

Dear Potential Council Member,

One of the many benefits to belonging to the BIA's NAHBR Professional Remodelers Council is access to our own website. This website was created for the purpose of marketing to the **GENERAL PUBLIC**. The site is designed to help consumers locate and identify professionals remodelers (our membership) for their remodeling/building projects.

The site includes a brief explanation of the purpose of the Council, Remodeling Guidelines and Frequently Asked Questions. The site is linked to BIA, MAHB and NAHB and is accessible from those sites as well. In addition, the site has three addresses that it can be accessed from: biaremodelor.org, biaremodeler.org and remodelor.org, making it very easy for your potential customers to find you.

Once you become a member of the NAHBR Professional Remodelers Council you are eligible for two additional web features; a 4-line ad below your listing highlighting your specialties and a web link. The cost for this is \$50 per year** which offsets the cost of the site and its on-going maintenance.

The council's goal is to create public awareness for the Remodelers' Council, to identify the group as an organization of highly skilled professionals and to give you one more way to advertise your company to the **GENERAL PUBLIC**. To achieve this goal, the website's address will be promoted in our publications, advertising, public service seminars, (ABCs of Remodeling) and in consumer articles.

Thank you for considering membership in the NAHBR Professional Remodelers Council. Please contact Sheila at 248/862-1033 with any questions.

**** (Applicant's company or applicant must be a BIA member to join the NAHBR.)**
